

Law & Leadership Institute: College Prep Program

The Law & Leadership Institute is no-cost, statewide 4-year leadership program that prepares underserved high school students for college and professional success through legally based curricula and leadership training. We empower our students to be voices for change and leaders in their communities.

Students will meet at the respective law school for a 4-5 week summer institute and 5 Saturday sessions during the academic school year. We are confident your students will have a safe and successful summer with LLI!

Our Summer Institute runs from June 17 – July 20, 2024 (M-F) from 9:00 am-4:00 pm at your respective law school. Learn more about LLI at www.lawandleadership.org.
