LAW AND LEADERSHIP  
INSTITUTE

**2017 Summer Institute Parent Signature Form**

Dear Parent/Guardian,

Your child is applying to be part of a very exciting program, the Law and Leadership Summer Institute. This program meets from 9:00 a.m. to 4:00 p.m. Monday through Friday from June 26 through July 28. Your child will learn about Criminal Law, take field trips, meet attorneys and judges, and perform in a mock trial, all with the goal of developing your child's academic skills and, ultimately, to start preparing him or her for the rigors of high school and, eventually, college. We make the experience interesting and fun, but it is still a lot of work! We will have high expectations for your child and will work to help your child meet those expectations.

But the 2017 Summer Institute is just the beginning! This program will continue all 4 years of high school. Your child will meet approximately 5 Saturdays in the fall and 5 Saturdays in the spring each year of high school. He or she also will have Summer Institutes each summer until your child walks across the stage at graduation. Your child will complete an internship with an attorney, will receive free ACT test preparation, will develop his or her leadership, writing, critical thinking, public speaking and problem solving skills, will tour colleges, and will prepare to have a successful college and professional career.

We know you have big dreams for your child, and we want to help make those dreams a reality!

Please initial next to each statement:

- I understand my child will be expected to attend every Law and Leadership session unless we have received prior approval to be absent.
- I understand this program is absolutely **free** for my child.
- I understand this program continues for all four years of high school.
- I understand my child will be expected to act and dress professionally while participating in Law and Leadership sessions.
- I understand the goal of the Law and Leadership Institute is to prepare my child for success in high school, college, and a future professional career.
- I will support my child's participation in the Law and Leadership Institute by helping him or her get to the sessions on time, communicating with staff, and encouraging my child to give his or her best effort.
